Dear Shri Jain,

Thank you for your letter of 31st March.

I am glad to know that after going through the Constituent Assembly Debates you initiated a discussion at the Kurukshetra Bar Association on the Parliamentary Vs. Presidential Form of government. Thank you for sending me a copy of the Press Note issued after the meeting. I wish this subject is discussed threadbare in the various fora so that we may evolve such a system which can serve our country the best.

With regards,

Yours sincerely,
