Message

It is a matter of great pleasure that Birth Centenary of the great freedom fighter and a true Gandhian late Babu Mool Chand Jain is being celebrated in August, 2015 at Karnal. To mark the occasion a souvenir is also being brought out.

Babu Mool Chand Jain was one of the great personalities who made invaluable and historic contribution to the freedom movement of India as a freedom fighter and our political history as Indian statesman and parliamentarian. He was imprisoned several times during pre-independence and post-independence struggles. Because of his visionary philosophy, statesmanship and ethical conduct, he was often referred to as "Gandhi of Haryana" by his colleagues and co-workers.

Babu Mool Chand Jain was a value based politician, Member of Parliament in Nehru era and also a cabinet minister in Punjab and Haryana several times. He lived to serve the downtrodden and aspired for minimizing the economic and social disparity among different sections of society. He was a statesman who worked towards analyzing the root causes of our social and economic problems and their humane and practical solutions.

Celebrating Birth Centenary of such a luminary and stalwart of our freedom movement would prove to be a great source of inspiration to the future generations. I am confident that the souvenir being published on the occasion would contain the views and thoughts of Babu Mool Chand Jain on various aspects of life. I convey my best wishes for the successful publication of the souvenir.
